May's Monthly Meeting

REMEMBER, this month's meeting location is being held back at the flying field. Please attend the meeting and bring something to fly. Folks tend to gather a few hours before the 7:30 pm start time to take advantage of the flying!

Rumor Has It

I believe that there is a 4th Annual Summer Solstice Fun Fly in Indiana this year. Although I haven't received a formal announcement or flier, I found this on the web:

4th Annual Summer Solstice Fun Fly in Indiana Pennsylvania, USA

Event Date: Saturday, June 23, 2018 - Sunday, June 24, 2018

Event:	4th Annual Summer Solstice Fun Fly
Event at:	Club Field
Email contact:	Anthony Hallo
Phone contact:	(724)953-9912
Local time:	-5 Zulu
Location:	Indiana, Pennsylvania, USA

This fun fly is open to all pilots with an AMA membership, no landing fee, all types of aircraft are welcome. Last year's event was attended by 31 pilots, help us make this year even bigger. Refreshments will be available

Confirmed

Dave Frew has reported that the dates for our Fall and next Spring flea markets have officially been confirmed by the Delmont Events Center. These dates are Saturday, November 1st, and Saturday, April 27th.

Next Monthly Meeting

When: **June 14th, 2018 @ 7:30 pm**

Where: **Saltsburg Flying Field**

*** Meetings held 2nd Thursday of each month ***

A New Build:

Dave Frew displays his Momba from Flex Innovations. This plane swings a 24x8 prop, weighs 23 lbs, and is an electric model powered by a 12s system, consisting of two 8000 mAh 6s batteries. He reports that on the maiden, it only needed 5 clicks of aileron, and it flew hands off.

A Few Videos:

Below are links to two videos of club members flying their aircraft. If all goes well with this technology, clicking the thumbnails below will open the videos on your computer, although I had brief moments of pink coloring. The videos themselves are hosted on the web. No need to download.
