Club Reminders

Flight Times:

- SUNDAY - 12:00 Noon until dark.
- OTHER DAYS - 10:00 A.M. until dark
- For quiet electric park flyers or unpowered aircraft only: Permitted Flying Hours - 8:00 A.M. until dark, seven days a week.

Monthly Meeting

Continuing with this month's meeting, (October, 2023), the meeting location is at the Monroeville Public Library, and the start time is 6:30 PM. I've created a location map which is attached separately to the email for this month's newsletter.

So remember:

- Location: **Monroeville Public Library**
- Start Time: **6:30 PM.**

Next MARCS Auction

Don't forget that the next MARCS auction and flea market is coming up fast, just like the fall weather! Our fall event will be Saturday, November 4th.

FRIA Information

As I mentioned last month in the newsletter, the FAA's data base of approved FRIAs is not being updated. If you want to keep your eye on the map of FRIA locations, it can be found here:

<https://faa.maps.arcgis.com/apps/webappviewer/index.html?id=9c2e4406710048e19806ebf6a06754ad>.

As we know, the MARCS club, along with many others near us, have been approved, but none of them are displayed on this FAA map. In fact, the term FRIA isn't even used on the map, which is baffling. If anyone has a better resource of this type of info, please let me know.

Next Monthly Meeting

When: **October 12th, 2023 @ 6:30 PM**

Where: **Monroeville Public Library**

*** Meetings held 2nd Thursday of each month ***

Photos from the September meeting

Joe Dantonio's full build up kit of a 63" Goldberg anniversary Cub with a 62 Saito motor. Joe reports that it flies like a dream!

This is the control panel of the new charging system being assembled and installed by Dan Vensel.
