Club Picnic

The August club meeting was held at the flying field this year, with picnic food being served from the grill. There was a terrific turnout, and as with all of our previous end of season cookouts, a lot of time and effort was put into hosting a wonderful event! Thank you to all hosts and organizers, past and present, for providing this club with memorable cookout meetings! All of your work is greatly appreciated!

And a special thank you goes out to Joe Dantonio for lending me a good quality camera to take photos this month, instead of using my cell phone. Photos are included on the following pages.
