Membership Renewal Update

Time to renew dues is approaching fast. As part of our new initiative this year, we will be using an updated membership application both for new members and existing members to renew. We have taken steps to make this as easy as possible for our valued members. You will find the membership renewal form at re:MARCS-- Newsletter of the Murrysville Area Radio Control Society. Please click 'Download here' to save a copy of the form to your computer. The form is in PDF format. It is a fillable form and will allow you to save your data. This will enable you to fill out the form once, save it, and then in future years, all that will need to be done is to reenter dates. Please fill out the form, print it and bring it to the meeting when paying your dues. If mailing in your dues payment, please include a signed copy with your dues payment.
