A Special Thank You to Dave Brodak!

Dave has contributed selflessly for many years to our Club by publishing this Newsletter. He deserves a heart felt thanks from every club member for his efforts.

Formation of Committees

Year 2026 will be a new and exciting year for MARCS. This is the first year the Club will create special committees under the new bylaws.

The members may already be familiar with a few of the Club committees, such as the Auction committee and the Safety committee. The number of committees under the new bylaws will be expanded to include a Membership committee, Field Maintenance committee, AMA Liaison committee, and, of course, the Auction/Special Events committee and Safety committee.

Expressing interest and participating in a Club committee is an opportunity for you to put your personal touch on the MARCS. Do not hesitate to let a Club officer know if you have an interest in participating on a committee for 2026. The Club is looking forward to everyone's ideas.

2026 Dues Payment Reminder

***** 2026 dues are payable now, and you have two ways to pay!**

#1) Club treasurer Rick Ofstun will be attending the monthly club meetings to accept your membership renewal application (attached to this email, or available on at www.remarcs.org) and dues payment of cash or check, or.....

#2) If you can't make it to the meeting, you can mail it directly to him, and include the following:

- A completed membership application. The application is attached to this email and is a fillable PDF file, which means that you can open the file, enter your information directly in the PDF, print it, then save the file to your computer and reuse/edit it next year without having to reenter all of the information again. This form will be required to be submitted at each renewal time.
- Check payable to MARCS in the amount of \$20 for an adult, \$10 for 15 years of age and under.
- Include a Self Addressed Stamped Envelope for return of your membership card.
- Mail to: Rick Ofstun
1065 Windy Oak Dr
Plum, PA 15239.

Fuel Purchase for 2026 Flying Season

This year we are starting early to get an order together for bulk purchase of glow fuel. Now is the time to think about your fuel needs for the 2026 flying season. More information and pricing will be announced once the purchase price per gallon is negotiated.

New Newsletter Editor

Your Secretary is publishing this month's Newsletter. Starting next month, Deegan Hast has volunteered to step up as your Newsletter Editor. It is great to see our young members taking interest in the success of the Club. Let's get behind him and provide him with monthly content. Have a new project, spend a fun day at the flying field, take some pictures, add a short description and send them along to him for publication.

Content can be sent to deeganwilliam525@gmail.com.

Member Projects

Joe Heuler is expanding his hanger and jumping into the electric world. Joe has acquired his first electric powered pattern aircraft, the AJ Acuity. The wingspan of the Acuity is 62” and it is powered by a Hacker A50 motor and 5S battery.
